About CANDI

CANDI is a client-led, Community Interest Company focused on enriching our community through affordable, engaging events.

Our mission is to provide unique experiences for a diverse audience, ensuring inclusivity and accessibility. We aim to inspire confidence, encourage social interaction, and provide opportunities for self led enterprise.

CANDI is dedicated to creating valuable and memorable experiences and opportunities that positively impact our community and we promote wellbeing as a key priority.

Ultimately, we all share some core systems, but beyond these our brains are as familiar yet as varied as the stars in the night sky!
